

CELEBRITY XPEDITION—DARWIN WOULD HAVE LOVED THIS.

A cruise to the Galapagos Islands is infinitely different than other voyages. Smaller, more intimate, a gathering of people all bound by a fascination with exploration and ecology. You'll find large decks to gather and watch sunrises and sunsets. Elegant décor and relaxing venues. And of course, Celebrity's signature modern luxury abounds. While still luxurious and pure "Celebrity," this is a more relaxed atmosphere where you get to know your fellow travelers and share the excitement of your adventures. We've purposely designed a bevy of warm and welcoming spaces on board to unwind, foster new friendships, gather to hear speakers, and share the joy of this experience.
